Happy Father's Day!

June 29:

Caldwell County S.A.L.T. mtg at Luling City Hall, 512-268-2610

Garage Sale & Dumpster:

The heavy trash dumpster has been cancelled for May. See "Useful websites" below. There will NOT be a garage sale or hot dogs & lemonade event at the office this year due to COVID19 restrictions. Personal rummage sales are permitted on your lot at your discretion. Please be sure to wear a mask and ask your customers to practice safe distancing.

New Neighbors:

Please welcome these new neighbors to our community:

- Janie Sanchez at 142 Elm Street #123
- Andres & Alisha Cervantes at 57 Oak Street #136

Census 2020:

You should have received information in the mail about how to respond to the Census 2020 for your physical address. It is very simple to do online and takes less than thirty minutes. The information given will determine many things for Caldwell County residents, eg. grant funding from state and federal resources, representation in the Texas House and the U.S. Congress, community planning, and many other areas. Please complete the survey to help assure a complete count for Caldwell County.

COVID 19:

My how the past six weeks have changed our lives! The pandemic has plunged much of everyday life into uncertainty and stress. However, our streets are open and we have large green areas by the pool, behind the office, and in front of the Park that we invite you to use to enjoy the outdoors and de-stress. Porches and lawns are great for relaxing. By exhaling longer than inhaling, the body will naturally slow providing a calming effect.

Be sure to strike a balance between daily routine and variety. Seek news updates only at specific times. Keep exercise and screen time at a comfortable level. At the Park office we feed about eight species

of birds daily. Each has its own identifiable song. We find that each street attracts different birds including a small screech owl on Elm Street. Listen for the songs you might recognize.

The pool opening has been postponed. Please watch for notices on the gate. Now is the time for us all to pull together and help each other to get through this difficult time.

Rent adjustments & COVID19 update:

No late fees will be assessed for the months of April or May. Please contact the office at 512-357-6111 or email capeters12@austin.rr.com if you need to discuss your lot or home rent for May.

Seton Hospital in Luling now has a drive-through COVID19 testing site. Visit www.cura.com for more information.
