Annual Dumpster:

Our annual TDS large dumpster will be delivered on May 7. Please follow all signs on the dumpster regarding various items that can and cannot be put in the dumpster. Please do not leave trash lying around outside the dumpster. Respect all residents by placing items neatly in the dumpster. The dumpster is for the use of Park residents ONLY.

We encourage all residents to use this opportunity to get rid of all the trash, mattresses, and other items currently stored on your lot. We understand the difficulty caused by COVID-19. However after this event we will begin giving notices for lot cleanup. Remember that tires and oil must be recycled at Green Guy in San Marcos.

Due to pandemic safety issues for our community residents, we will NOT be sponsoring or advertising for a Park garage sale this year. We apologize for the inconvenience.
