COVID19 update & Heavy trash dumpster:

The heavy trash dumpster that was cancelled in April due to COVID19 has been rescheduled for September 25 – 28. Please wear a mask AND social distance when delivering materials to the dumpster. Safety is always our main concern. First come, first serve basis will be adhered to. Please use the separate trailer for all metal trash. No oil, paint, and other dangerous items are allowed in the dumpster. There will be NO Pecan Plantation sponsored garage sale in 2020. Our next community garage sale will be tentatively scheduled for April or May, 2021. Pecan Plantation office, fitness center, and pool will remain closed until further notice. Please call or email if you need service.

2020 Graduates:

Congratulations to the following residents who are 2020 high school graduates:

- Ariana Morrow, 90 Mimosa #44, San Marcos High School
- Natalynn Ramos, 38 Mimosa #40, Lockhart High School
- Alyanna Delgado, 75 Aspen Street, San Marcos High School

If you know of any other graduates, please let Carol know at 512-268-2610.

Water Bills:

Please ignore the message on your water bill about who to make your check out to. That does not apply to Pecan Plantation residents. Your water check must go through our office at Pecan Plantation.

Please continue to make check out to: **PECAN PLANTATION – WATER.**

On some months we are now mailing the water bills instead of delivering them to the doors. However, the payment is still due to the Pecan Plantation office by the 8th of the month. It is important to start paying your water bill on time now since the water company may soon be charging late fees again.

Flu Shots Are Ready:

Walgreens on Hopkins Street in San Marcos received their first batch of flu shots in August. First Tuesday of each month is Senior Day all day with discounts of 20-30% for older adult Texans. Take advantage of free flu shots NOW!
